

Membership Policy

Introduction

Ore Valley Housing Association is a Registered Social Landlord with charitable status.

Aim of Policy

The aim of this policy is to ensure

- Information on membership is widely available to all interested parties
- OVHA complies with legislative and regulatory requirements

We will seek to ensure that we have a broad-based membership which reflects our constitution and the communities we serve. In particular we will welcome applications for membership from tenants, service users, community groups and other residents of the towns and villages in which we are active.

We are committed to the principles of good corporate governance and sustainability and will endeavour to develop fair and consistent policies, procedures and practices.

In line with our commitment to inclusion and diversity, this policy can be made available in a variety of formats, including large print, translated into another language or other media. We will make any reasonable adjustments to assist you if you have a disability.

This policy complies with sections 6–12 of our Rules, which cover membership of the Association, and with Regulatory Standard 2 on openness and accountability, and Regulatory Standard 5 on honesty and integrity.

- sexual orientation

We will always seek to follow best practice in order to ensure that the above group needs are understood, considered and accommodated wherever possible.

Applying for Membership

Membership is made by application and will be considered by our Board of Management at their next available meeting. Our Board of Management will either accept and approve or reject your application for membership. All applications must be accompanied by the fee of £1. The fee will be refunded in the event that the membership is not agreed.

Whilst our Board of Management will consider each application for membership, there is a general presumption that applications will be accepted and it is only in exceptional circumstances that an application will be refused.

Once approved, we will write to you, as a new member, to confirm your membership and issue you with a Share Certificate, a copy of OVHA's Rules and details of how you can participate in our organisation, including the AGM and how to stand for election to the Board. You will also receive an annual report and regular newsletters.

In the unusual event of an application being refused, we will write to you to explain the reasons for our Board of Management's decision and will refund your £1. The grounds for refusal, whilst not exhaustive, may be due to a conflict of interest or where you have acted and continue to act in a way that is contrary to the interests of OVHA.

You will have one opportunity to appeal against our Board of Management's refusal of your application. Your appeal should be made in writing, giving your reasons why the decision should be changed. Our Board of Management will consider your appeal at their next meeting. Their decision will be final.

Maintaining Membership

You should notify the Secretary in writing of a change of address within 3 months. This rule does not apply if you are a tenant and have moved home by transferring your tenancy or to another property owned and managed by us.

We will maintain a Register of Members in accordance with our Rules of the Association. The Register will contain details of the members name and address, date of membership approval and membership number of each member.

Ending Membership

You can end your membership by giving the Secretary at our registered office notice in writing. In addition, your membership will end where:

- You are expelled in accordance with our Rules of the Association.
- You change your address but do not notify us of your new address within 3 months (see paragraph above).
- You fail to attend, submit apologies, exercise a postal vote or appoint a representative to attend and vote by proxy for five consecutive Annual General Meetings.
- We receive a complaint about your behaviour prejudicial to our interests and two-thirds of the members voting at a Special General Meeting agree to this. The conditions applying to this procedure can be found in our Rules of the Association.

Membership will also end in the event that a member dies unless the member has nominated a person to whom the share should be transferred as outlined in our rules.

The membership fee of £1 is non-transferrable on termination of membership

Monitoring and Review

This policy will be reviewed 5 years from the date of implementation, latest review date, or any change in legislation, which will be the date the policy is approved by the Board of Management, or earlier if deemed appropriate. In the event that this policy is not reviewed within the above timescale, the latest approved policy will continue to apply.
